deako®

Modular lighting for your new home

Transform your home

Add a Deako package and set lights to activate when a stranger comes to the door or create your perfect lighting aesthetic.

Why Smart Lighting

Add a touch of ambiance, everyday convenience, and enhanced security to transform how your home looks, feels, and functions with Deako smart lighting.

SECURITY
Provide added safety and peace of mind.

CONVENIENCE
An extra set of hands to help when you need them most.

AMBIANCE
Set the perfect mood for entertaining, dining, or winding down.

Roll Deako into your mortgage

With costs potentially as low as $1 a month*, you can spread Deako over the life of your mortgage with no need for separate monthly payments—leaving more flexibility for other new home priorities.

**Estimation based on 30 year fixed mortgage at 4.99%. Rates & payment may vary.*
